QUESTIONS AND ANSWERS

Q. How will we solicit proxies for the Annual Meeting?

A. We are soliciting proxies by furnishing this Proxy Statement and proxy card to our shareholders. In addition, some of our trustees and officers and certain employees of EMG may make additional solicitations by telephone or in person without additional compensation for such activities. We will pay the solicitation costs and will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding proxy materials to beneficial owners.

We will employ Broadridge Financial Solutions, Inc. to receive and tabulate the proxies.

Q. When is the Annual Meeting?

A. The Annual Meeting is currently scheduled for May 13, 2021, at 10:00 a.m., Eastern Time.

Q. Who is entitled to vote?

A. All shareholders of record as of the close of business on March 22, 2021, which is the record date, are entitled to notice of and to vote at the Annual Meeting.

Q. What is the quorum for the Annual Meeting?

A. The presence at the Annual Meeting, in person or by proxy, of a majority of the votes entitled to be cast by the holders of all outstanding common shares of beneficial interest, \$0.01 par value per share, of the Company, or "Common Shares," will constitute a quorum for the transaction of business. No business may be conducted at the meeting if a quorum is not present. As of the record date, 12,343,542 Common Shares were issued and outstanding. If less than a majority of our outstanding Common Shares entitled to vote are represented, in person or by proxy, at the Annual Meeting, the chairman of the meeting may adjourn or postpone the Annual Meeting to another date, time or place, not later than 120 days after the original record date of March 22, 2021. If a Common Share is deemed present at the Annual Meeting for any matter, it will be deemed present for all other matters. Pursuant to Maryland law, abstentions are treated as present for quorum purposes.

Q. How many votes do I have?

- A. You are entitled to one vote for each whole Common Share you held as of the record date. Our shareholders do not have the right to cumulate their votes for trustees.

Q. How do I vote my shares prior to the Annual Meeting?

- A. If you are a shareholder of record, meaning that your Common Shares are registered in your name, you have three voting options. You may vote:

By Mail—signed proxy card must be received by May 12, 2021

If you received your proxy materials by mail, you may vote by mail by marking the enclosed proxy card, dating and signing it, and returning it in the postage-paid envelope provided.

Authorizing your proxy by mail will not limit your right to attend the Annual Meeting and vote your Common Shares online. Your proxy (either one or both of the individuals named in your proxy card) will vote your Common Shares per your instructions.

By Internet—until 11:59 p.m. Eastern Time on May 12, 2021

If you are a shareholder of record, you may follow the instructions and web address noted on your proxy card to transmit your voting instructions up until 11:59 p.m. Eastern Time on May 12, 2021.

By Telephone—until 11:59 p.m. Eastern Time on May 12, 2021

If you are a shareholder of record, you may use any touch-tone telephone to transmit your voting instructions up until 11:59 p.m. Eastern Time on May 12, 2021.

Q. Can I vote my shares during the Annual Meeting?

- A. You may vote your shares during the Annual Meeting by visiting www.virtualshareholdermeeting.com/EARN2021 and following the instructions. You will need the 16-digit control number included in your proxy card, voting instruction form or Notice. You will be able to vote during the Annual Meeting until such time as the Chairman declares the polls closed.

Q. How do I vote my Common Shares that are held by my broker?

- A. If you hold your Common Shares in "street name" through an account with a broker or bank, you may instruct your broker or bank to vote your Common Shares or revoke your voting instructions by following the instructions that the broker provides to you. Most brokers allow you to authorize your proxy by mail and on the Internet.

Banks and brokers have the authority under New York Stock Exchange, or "NYSE," rules to vote shares for which their customers do not provide voting instructions on routine matters. The proposal to ratify the appointment of our independent registered public accounting firm for 2021 is considered a routine matter under NYSE rules. This means that banks and brokers may vote in their discretion on this matter on behalf of customers who have not furnished voting instructions at least ten days before the date of the Annual Meeting. Unlike the proposal to ratify the appointment of our independent registered public accounting firm, the election of trustees and the advisory vote on executive compensation are non-routine matters for which brokers do not have discretionary voting power and for which specific instructions from their customers are required. As a result, banks and brokers are not allowed to vote any shares held by you in "street name" on these matters on your behalf unless you provide the bank or broker with specific voting instructions. Failure to provide the bank or broker that holds your shares with specific voting instructions on these non-routine matters will result in a "broker non-vote."

Beneficial owners of Common Shares held through the account of a bank or broker are advised that, if they do not timely provide instructions to their broker, their Common Shares will not be voted in connection with the election of trustees or the advisory vote on executive compensation.

Q. What am I voting on?

- A. You will be voting on:

Proposal 1: The election of the seven trustees nominated and recommended by the Board of Trustees, each to serve until the 2022 Annual Meeting of Shareholders or until such time as their respective successors are elected and qualified;

Proposal 2: An advisory (non-binding) "say on pay" vote to approve executive compensation; and

Proposal 3: A proposal to ratify the appointment of our independent registered public accounting firm for 2021.

No cumulative voting rights are authorized, and dissenter's rights are not applicable to these matters.

Q. What vote is required to approve the proposals assuming that a quorum is present at the Annual Meeting?

A.

Proposal	Vote Requirement
Proposal 1: Election of Trustees	A plurality of the votes cast for the election of each trustee nominee. The seven nominees who receive the most votes will be elected.
Proposal 2: An Advisory (Non-Binding) "Say on Pay" Vote to Approve Executive Compensation	The affirmative vote of a majority of the votes cast at the Annual Meeting. Voting for Proposal 2 is being conducted on an advisory basis and, therefore, the voting results will not be binding on the Company, the Board of Trustees or the Compensation Committee.
Proposal 3: Ratification of Appointment of Our Independent Registered Public Accounting Firm for 2021	The affirmative vote of a majority of the votes cast on this matter.

Q. How are abstentions and broker non-votes treated?

A. As discussed above, a "broker non-vote" occurs when a bank, broker, or other holder of record holding Common Shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Abstentions and broker non-votes will be treated as follows:

Proposal	Treatment of Abstentions and Broker Non-Votes
Proposal 1: Election of Trustees	Abstentions and Common Shares not represented at the Annual Meeting will have no effect on the election of trustees. Brokers are not entitled to vote on trustee elections and thus broker non-votes are not treated as votes cast and will have no effect on the election of trustees.
Proposal 2: An Advisory (Non-Binding) "Say on Pay" Vote to Approve Executive Compensation	Abstentions, broker non-votes and Common Shares not otherwise represented at the Annual Meeting are not treated as votes cast and will have no effect on the outcome of this proposal.
Proposal 3: Ratification of Appointment of Our Independent Registered Public Accounting Firm for 2021	Pursuant to Maryland law, abstentions and broker non-votes are not included in the determination of the Common Shares voting on such matters, but are counted for quorum purposes. Because this is considered a routine matter under NYSE rules, broker non-votes will not arise in connection with, and thus will have no effect on, this proposal.

Q. Will there be any other items of business on the agenda?

A. The Board of Trustees does not know of any other matters that may be brought before the Annual Meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees for election to the Board of Trustees. In the event that any other matter should come before the Annual Meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies with respect to such matters in accordance with their discretion.

Q. What happens if I submit my proxy without providing voting instructions on one or more proposals?

A. Proxies properly submitted will be voted at the Annual Meeting in accordance with your directions. If the properly submitted proxy does not provide voting instructions on a proposal, the proxy will be voted, except in the case of a broker non-vote, to elect (FOR) each of the trustee nominees listed in "Proposal 1—Election of Trustees," in favor of (FOR) "Proposal 2—An Advisory (Non-Binding) 'Say on Pay' Vote to Approve Executive Compensation," and in favor of (FOR) "Proposal 3—Ratification of the Appointment of Independent Registered Public Accounting Firm for 2021."

Q. Will anyone contact me regarding this vote?

A. No arrangements or contracts have been made with any solicitors as of the date of this Proxy Statement, although we reserve the right to engage solicitors if we deem them necessary. Solicitations may be made by mail, telephone, facsimile, e-mail, or personal interviews.

Q. Who will pay for this proxy solicitation?

A. We will pay the entire expense of preparing, printing, and mailing the proxy materials and any additional materials furnished to shareholders. Proxies may be solicited by our trustees and officers and certain employees of EMG personally or by telephone without additional compensation for such activities. We also will request persons, firms, and

corporations holding Common Shares in their names or in the names of their nominees, which are beneficially owned by others, to send appropriate solicitation materials to such beneficial owners. We will reimburse such holders for their reasonable expenses.

Q. *May shareholders ask questions at the Annual Meeting?*

A. Yes. You may vote and submit questions while attending the meeting online. You will need the sixteen-digit control number included on your Notice, your proxy card or on the instructions that accompanied your proxy materials in order to be able to enter the meeting.

Q. *What does it mean if I receive more than one proxy card?*

A. It probably means your Common Shares are registered differently and are in more than one account. Sign and return all proxy cards, or vote by the methods provided by your broker to ensure that all your Common Shares are voted.

Q. *Can I change my vote after I have voted?*

A. Yes. A shareholder may revoke a proxy at any time prior to its exercise by filing with our Secretary a duly executed revocation of proxy, by properly submitting by mail a proxy to our Secretary bearing a later date or by attending the meeting online and voting. Attendance at the meeting will not by itself constitute revocation of a proxy.

Q. *Can I find additional information on the Company's website?*

A. Yes. Our Internet website is located at www.earnreit.com. Although the information contained on our website is not part of this Proxy Statement, you can view additional information on the website, such as our Corporate Governance Guidelines, our Code of Business Conduct and Ethics, charters of the committees of our Board and reports that we file with the Securities and Exchange Commission, or "SEC."

We are furnishing this Proxy Statement for the purpose of soliciting your proxy. The Board of Trustees of Ellington Residential Mortgage REIT requests that you submit your proxy to allow the representation and voting of your Common Shares at our Annual Meeting.

PROPOSAL 1: ELECTION OF TRUSTEES

Identifying and Evaluating Nominees for Trustee

Our Board is pleased to present seven nominees for election to the Board at our Annual Meeting, all of whom currently serve as trustees on our Board and five of whom are considered independent in accordance with the requirements of the NYSE and our Corporate Governance Guidelines. Each trustee elected will serve until our next annual meeting of shareholders or until such time as his or her respective successor is elected and qualified. If any nominee is unable to stand for election for any reason, the persons appointed to vote your proxy may vote at our Annual Meeting for another candidate proposed by the Board, or the Board may choose to reduce the size of the Board. Upon the election of trustees at the annual meeting the size of the Board will be reduced to seven from its current size of eight. For additional information about how we identify and evaluate nominees for trustee, see "Corporate Governance—Information Regarding Our Board and Its Committees—Nominating and Corporate Governance Committee."

**PROPOSAL 2: AN ADVISORY (NON-BINDING) "SAY ON PAY" VOTE
TO APPROVE EXECUTIVE COMPENSATION**

Section 14A of the Securities Exchange Act of 1934, as amended, or the "Exchange Act," provides our shareholders with an advisory "say on pay" vote to approve our executive compensation. Although the "say on pay" vote is advisory and is not binding on our Board, the Board values shareholders' opinions and the Compensation Committee will take into consideration the outcome of the vote when making future executive compensation decisions.

At the 2019 annual meeting, we asked our shareholders to indicate if we should hold an advisory vote on the compensation of our named executive officers each year, every two years, or every three years. Because at our 2019 annual meeting our shareholders voted in favor of an annual advisory vote, we are again asking our shareholders to vote (non-binding) to approve the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules.

As an externally managed company, we do not pay or provide benefits, nor do we reimburse the cost of any compensation or benefits paid by our Manager, EMG or their affiliates, to our executive officers, with the exception that, under the terms of the management agreement between us and our Manager, we reimburse our Manager for the costs of the wages, salaries, and benefits incurred by our Manager or EMG with respect to our partially dedicated Chief Financial Officer and our partially dedicated Chief Operating Officer, subject to the approval of the amount of such reimbursement by our Compensation Committee. In addition, our Manager has the right, but not the obligation, to provide us with other dedicated or partially dedicated personnel if approved by the independent members of our Board. Such other dedicated or partially dedicated personnel could include personnel who are deemed executive officers. In the event our Manager elects to provide us with other dedicated or partially dedicated personnel and such personnel are approved by the independent members of our Board, we would be required to bear a pro rata portion of the costs of the wages, salaries and benefits incurred by our Manager with respect to such personnel based on the percentage of their working time and efforts spent on matters related to our company, subject to the approval of such reimbursement amounts by our Compensation Committee. For the 2020 fiscal year, our partially dedicated Chief Financial Officer and partially dedicated Chief Operating Officer were the only executive officers for whom we reimbursed the costs of the wages, salaries and benefits incurred by our Manager. Finally, we have the discretion to pay annual cash bonuses and make incentive equity awards to our partially dedicated Chief Financial Officer, our partially dedicated Chief Operating Officer, and any other partially dedicated personnel designated by our Manager and approved by our independent trustees in amounts that are subject to approval by our Compensation Committee.

This advisory "say on pay" vote gives our shareholders the opportunity to express their views on the compensation we pay to our named executive officers, which in this case is solely our partially dedicated Chief Financial Officer and our partially dedicated Chief Operating Officer, as disclosed in this Proxy Statement. The Board believes that the current compensation of our partially dedicated Chief Financial Officer and our partially dedicated Chief Operating Officer provides fair compensation designed to retain and motivate them and properly aligns their interests with those of our shareholders.

For these reasons, the Board recommends that our shareholders vote in favor of the following resolution:

"Resolved, that our shareholders approve, on an advisory basis, the compensation we pay to our Company's named executive officers, which in this case is our partially dedicated Chief Financial Officer and our partially dedicated Chief Operating Officer, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including the compensation tables and the narrative discussion."

Our Board recommends a vote "FOR" approval of this resolution (Proposal 2 on the proxy card).

PROPOSAL 3: RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2021

The Audit Committee has appointed PricewaterhouseCoopers LLP, or "PwC," as our independent registered public accounting firm to audit the financial statements of our Company and its subsidiaries for the year ending December 31, 2021. Although shareholder approval is not required, we desire to obtain from our shareholders an indication of their approval or disapproval of the Audit Committee's action in appointing PwC as the independent registered public accounting firm of our Company. Although we seek ratification of the appointment of PwC as our independent registered public accounting firm, the ratification of the appointment of PwC does not preclude the Audit Committee from subsequently determining to change independent registered public accounting firms if it determines such action to be in the best interests of our Company and shareholders. If our shareholders do not ratify and approve this appointment, the appointment will be reconsidered by the Audit Committee and our Board of Trustees.

PwC has advised the Audit Committee that they are an independent accounting firm with respect to our Company and its subsidiaries within the meaning of standards established by the American Institute of Certified Public Accountants, or the "AICPA," the Public Company Accounting Oversight Board, or the "PCAOB," the Independence Standards Board and federal securities laws. Representatives of PwC are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

PwC's 2020 and 2019 Fees

PwC's fees for professional services rendered in or provided for 2020 and 2019, as applicable, were:

	2020	2019
Audit Fees	\$ 451,000	\$ 438,932
Audit-related Fees	—	—
Tax Fees	—	—
All Other Fees	455	455
Total Fees	<u>\$ 451,455</u>	<u>\$ 439,387</u>

Audit Fees—Audit fees consist of fees billed by PwC related to the audit of our consolidated financial statements, the issuance of comfort letters and SEC consents and certain agreed upon procedures and other attestation reports including fees for such services provided in connection with our public offerings. Audit fees are those billed or expected to be billed for audit services related to each fiscal year.

Audit-related Fees—Audit-related fees consist of fees billed or expected to be billed by PwC for other audit and attest services, financial accounting, reporting and compliance matters and risk and control reviews. Fees for audit-related services are for those services rendered during each fiscal year.

Tax Fees—Tax fees consist of fees billed or expected to be billed by PwC for tax compliance, advisory and planning services rendered during the fiscal year.

All Other Fees—All other fees mostly consist of costs associated with certain online subscription services.

Audit Committee Pre-Approval Policies and Procedures

On at least an annual basis, the Audit Committee pre-approves a list of services and sets pre-approval fee levels that may be provided by PwC without obtaining engagement specific pre-approval from the Audit Committee. The pre-approved list of services consists of audit services, audit-related services, tax services and all other services. All requests or applications for PwC audit services, audit-related services, tax services, or all other services must be submitted to our Chief Financial Officer to determine if the services are included within the pre-approved list of services that have received Audit Committee pre-approval. Any type of service that is not included on the pre-approved list of services must be specifically approved by the Audit Committee or its designee. Any proposed service that is included on the list of pre-approved services but will cause the pre-approved fee level to be exceeded will also require specific pre-approval by the Audit Committee or its designee. The Audit Committee has chosen the Audit Committee Chairman as its designee.

All of the fees paid to PwC in 2020 were pre-approved by the Audit Committee, and there were no services for which the de minimis exception permitted in certain circumstances under SEC rules was utilized.

Our Board recommends a vote "FOR" ratification of the appointment of PwC as our independent registered public accounting firm for 2021 (Proposal 3 on the proxy card).

CORPORATE GOVERNANCE

The Board of Trustees

Our business is managed through the oversight and direction of our Board of Trustees, which has established investment guidelines for our Manager to follow in its day-to-day management of our business. Our Manager is an affiliate of EMG, a private investment management firm and registered investment advisor that specializes in fixed income strategies, and is responsible for administering our business activities and day-to-day operations. Our Board is currently comprised of eight trustees. Upon the election of trustees at the annual meeting the Board will be reduced to seven trustees. The trustees are informed about our business at meetings of our Board and its committees and through supplemental reports and communications. Our independent trustees meet regularly in executive sessions without the presence of our corporate officers.

Our Board has established three standing committees that are comprised solely of independent trustees, the principal functions of which are briefly described below. Matters put to a vote at any one of our three committees must be approved by a majority of the trustees on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of the trustees on that committee.

Trustee Independence

Our Board has determined that six of our eight current trustees and five of our seven trustee nominees are independent trustees as defined by the requirements of the NYSE and our Corporate Governance Guidelines. Our Board has adopted, through its approval of our Corporate Governance Guidelines, the categorical standards prescribed by the NYSE to assist the Board in evaluating the independence of each of our trustees and nominees. The categorical standards describe various types of relationships that could potentially exist between a board member and our Company and sets thresholds at which such relationships would be deemed to be material. Provided that no relationship or transaction exists that would disqualify a trustee under the categorical standards and our Board determines, after taking into account all facts and circumstances, that no other material relationship between our Company and the trustee exists of a type not specifically mentioned in the categorical standards, our Board will deem such person to be independent. A trustee shall not be independent if he or she satisfies any one or more of the following criteria:

1. A trustee who is, or who has been within the last three years, an employee of our Company or any of its affiliates, or whose immediate family member is, or has been within the last three years, an executive officer of our Company or any of its affiliates.
2. A trustee who has received or who has an immediate family member, serving as an executive officer, who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from our Company (excluding trustee and committee fees, and pension/other forms of deferred compensation for prior service that is not contingent in any way on continued service).
3. (A) A trustee who is or whose immediate family member is a current partner of a firm that is our internal or external auditor; (B) a trustee who is a current employee of such a firm; (C) a trustee who has an immediate family member who is a current employee of such a firm and who personally works on our audit; or (D) a trustee who was or whose immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on our audit within that time.
4. A trustee who is or has been within the last three years, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of our present executives at the same time serves or served on that company's compensation committee.
5. A trustee who is a current employee, or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, us for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues (as reported for the last completed fiscal year).

Pursuant to our Corporate Governance Guidelines, our Board also considers a trustee's charitable relationships in determining independence. A trustee who is an officer, director, or trustee of a charitable or non-profit organization will not be considered to have a material relationship with our Company that impairs the trustee's independence so long as our contributions to the entity in any single fiscal year (excluding amounts contributed by our Company under its employee matching gift program) are less than \$100,000 or 2% of such entity's consolidated gross revenues (whichever is greater).

Under these criteria, our Board has determined that the following members that are nominated to be trustees of our Board are independent: Robert B. Allardice, III, C.C. Melvin Ike, David J. Miller, Mary McBride, and Ronald I. Simon, Ph.D.

Executive Sessions of Our Independent Trustees

In accordance with NYSE requirements and our Corporate Governance Guidelines, the independent trustees of our Board meet in executive session at least quarterly, without management present. Generally, these executive sessions follow a regularly scheduled quarterly meeting of our Board. In 2020, the independent trustees of our Board met in executive session five times without management. Our Chairman typically presides over such executive sessions of our independent trustees.

Information Regarding Our Board and Its Committees

Trustees are expected to attend all of our regular and special meetings of the Board and all meetings of the committees on which they serve. In 2020, there were 15 meetings of the Board, and all of the current trustees attended at least 75% of the meetings of both the Board and committees on which they served.

We have a policy that trustees attend our annual meetings of shareholders. Mr. Miller, Mr Allardice, Dr. Simon, Mr. Vranos, Mr. Penn, and Thomas F. Robards attended the 2020 Annual Meeting of Shareholders.

Our Board of Trustees has established three standing committees of the Board: Audit, Compensation, and Nominating and Corporate Governance. The charter for each committee, more fully describing the responsibilities of each committee, can be found on our website at www.earnreit.com under the "For Our Shareholders—Corporate Governance" section. Pursuant to their charters, each of these committees is comprised solely of independent trustees. The table below indicates our current committee membership and the number of times each committee met in 2020.

Trustee Name	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee
Robert B. Allardice, III	Chair	Member	Member
David J. Miller	Member	Chair	Member
Mary McBride	Member	Member	Member
Thomas F. Robards	Member	Member	Member
Ronald I. Simon, Ph.D.	Member	Member	Chair
Number of Meetings in 2020	7	5	2

Our committees make recommendations to the Board as appropriate and regularly report on their activities to the entire Board.

Audit Committee

Pursuant to its charter, our Audit Committee assists the Board in overseeing (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) the qualifications and independence of our independent auditors; and (4) the performance of our independent auditors and internal audit function.

Each member of the Audit Committee meets the independence requirements of the NYSE and SEC rules and regulations, and each is financially literate. Our Board has determined that Mr. Allardice, the chairman of our Audit Committee, Ms. McBride, Mr. Miller and Dr. Simon are "audit committee financial experts" as that term is defined by the SEC and that each satisfies the financial expertise requirements of the NYSE.

Compensation Committee

Pursuant to its charter, the Compensation Committee's principal functions are to assist the Board in discharging its responsibilities relating to (1) compensation of our trustees and officers; (2) review, approval, and administration of compensation plans and programs and other benefit plans for our trustees, officers, employees, and consultants and other third parties who perform services for us; and (3) compensation of our Manager.

Our Board has determined that each member of the Compensation Committee meets the independence requirements of the NYSE that apply to compensation committee members.

Nominating and Corporate Governance Committee

Pursuant to its charter, the Nominating and Corporate Governance Committee is responsible for identifying, recruiting, considering and recommending to our Board qualified candidates for election as trustees and recommending a slate of nominees for election as trustees at our annual meetings of shareholders. It also reviews the background and qualifications of individuals being considered as trustee candidates pursuant to attributes and criteria established by the committee and the Board from time to time. It reviews and makes recommendations on matters involving general operation of our Board and our corporate governance, and annually recommends to our Board nominees for each committee of the Board. In addition, the committee annually facilitates the assessment of our Board's performance as a whole and of the individual trustees and reports thereon to the Board. The committee is responsible for reviewing and approving in advance any related party

transactions, other than related party transactions which have been pre-approved pursuant to pre-approval guidelines to address specific categories of transactions, which the committee reviews, evaluates and updates, as appropriate, from time to time.

In selecting candidates to recommend to our Board as trustee nominees, the Nominating and Corporate Governance Committee looks at a number of attributes and criteria, including experience, skills, expertise, diversity of experience, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate in the context of the needs of the Board. The Nominating and Corporate Governance Committee views diversity as a positive factor in considering director candidates, but it does not have a formal policy about diversity of board members, and neither includes nor excludes any candidate from consideration solely based on the candidate's diversity traits. In assessing the needs of the Board, the Nominating and Corporate Governance Committee and our Board review and consider from time to time the requisite skills and characteristics of individual trustees as well as the composition of the Board as a whole. After completing its evaluation of individual trustee nominees and our Board as a whole, our Board concluded that the seven nominees for trustee named in this Proxy Statement collectively have the experience, qualifications, attributes and skills to effectively oversee the management of our Company, including a high degree of personal and professional integrity, an ability to exercise sound business judgment on a broad range of issues, sufficient experience and background to have an appreciation of the issues facing our Company, a willingness to devote the necessary time to Board duties, a commitment to representing the best interests of the Company and its shareholders and a dedication to enhancing shareholder value.

Ms. McBride was appointed to the Board on March 30, 2021 after being recommended to the full Board by the Nominating and Corporate Governance Committee, which had considered Ms. McBride as well as a number of other candidates for the position. Ms. McBride had originally been recommended to us by a non-profit organization dedicated to increasing the representation of women on boards of directors.

The Nominating and Corporate Governance Committee will consider candidates recommended by shareholders for service on our Board. For more information regarding the procedure required for trustee candidates recommended by shareholders, see "General Information—Shareholder Proposals."

Board Leadership Structure

While the roles are currently separated, our Board of Trustees has not established a fixed policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board. Instead, the Board believes this determination is part of the succession planning process and should be considered upon the appointment or re-appointment of a Chief Executive Officer. The Board of Trustees believes that the current separation of the role of Chief Executive Officer and Chairman of the Board is appropriate because it allows our Chief Executive Officer to focus on running our business, while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Board Oversight of Risk

Our Board of Trustees believes an effective risk management system will (1) timely identify the material risks that we face; (2) communicate necessary information with respect to material risks to our principal executive officer or principal financial officer and officers of our Manager and, as appropriate, to our Board of Trustees or relevant committee thereof; (3) implement appropriate and responsive risk management strategies consistent with our risk profile; and (4) integrate risk management into management and our Board's decision-making.

EMG has an Investment and Risk Management Committee that advises and consults with our senior management team with respect to, among other things, our investment policies, portfolio holdings, financing and hedging strategies, and investment guidelines. The members of the Investment and Risk Management Committee include two of our trustees, Messrs. Vranos and Penn, as well as one of our officers, Mark Tecotzky. The Audit Committee has been designated by our Board to take the lead in overseeing risk management. As part of its oversight function, the Audit Committee receives briefings provided by members of the Investment and Risk Management Committee, officers of our Manager and various advisors to our Company regarding the adequacy of our risk management processes. The Audit Committee also regularly receives briefings from our internal auditor. Our Board also encourages our officers and the officers of our Manager to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations and continually works with our officers, the officers of our Manager and our advisors to assess and analyze the most likely areas of future risk for our Company. In addition, our Compensation Committee has reviewed its compensation policies and practices with respect to certain employees of the Manager who are dedicated or partially dedicated to providing services to the Company taking into consideration risk management practices and risk-taking incentives. Following such review, we determined that our compensation policies and practices for such employees do not create risks that are reasonably likely to have a material adverse effect on us.

Code of Business Conduct and Ethics

Our Board of Trustees has established a Code of Business Conduct and Ethics that applies to our officers and trustees and to our Manager's and certain of its affiliates' officers, trustees and employees when such individuals are acting for or on our behalf. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- compliance with applicable governmental laws, rules, and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the Code of Business Conduct and Ethics; and
- accountability for adherence to the Code of Business Conduct and Ethics.

EMG also has its own Code of Ethics with which employees of EMG and our Manager, including officers of our Company, must also comply. Our Code of Business Conduct and Ethics is intended to complement EMG's Code of Ethics. To the extent there is any conflict between our Code of Business Conduct and Ethics and EMG's Code of Ethics with respect to the officers of our Company and the officers, employees, and other personnel of EMG and our Manager who perform services for or on our behalf, the provisions of our Code of Business Conduct and Ethics will control, except to the extent that the provisions of EMG's Code of Ethics are more restrictive, in which case the provisions of EMG's Code of Ethics will control. Any waiver of our Code of Business Conduct and Ethics of our executive officers or trustees may be made only by our Board or one of its committees.

We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K relating to amendments to or waivers from any provision of our Code of Business Conduct and Ethics applicable to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions and that relates to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-K by posting such information on our website at www.earnreit.com under the "For Our Shareholders—Corporate Governance" section of the website.

Communications with Our Board

Our Board has established a process for shareholders and other parties to communicate with the members of our Board, any trustee (including the Chairman of the Board), non-management members of the Board as a group or any committee. To do so, a shareholder may send a letter addressed to Attention: Secretary, Ellington Residential Mortgage REIT, 53 Forest Avenue, Old Greenwich, Connecticut 06870. The Secretary will forward all such communications to our trustees.

Availability of Our Corporate Governance Materials

Shareholders may view our corporate governance materials, including the written charters of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics, on our website at www.earnreit.com under the "For Our Shareholders—Corporate Governance" section of the website. A copy of any of these documents will be provided free of charge to any shareholder upon request by writing to Ellington Residential Mortgage REIT, 53 Forest Avenue, Old Greenwich, Connecticut 06870, Attention: Secretary. Information at or connected to our website is not and should not be considered a part of this Proxy Statement.

CORPORATE RESPONSIBILITY

EMG is committed to corporate responsibility. We recognize the importance of developing environmental, social and governance ("ESG") policies, and we believe that the implementation of such policies benefits EMG's employees, supports long-term stockholder performance, and makes a positive impact on the environment and society as a whole. We assess the interests of all stakeholders—stockholders, employees, service providers, lenders, and the surrounding community—when determining the long-term success of our business. We prioritize strong ESG practices, active stockholder engagement, a commitment to significant disclosure and transparency, and supportive employment practices.

Environmental

As an investment firm with approximately 150 employees, the vast majority of whom work out of EMG's headquarters in Old Greenwich, CT, we believe that EMG's corporate footprint and business operations have a relatively modest impact on the environment. Nevertheless, we believe in promoting a sustainable environment by using resources as efficiently and responsibly as practicable. Our commitment to these principles is reflected in our daily activities in a variety of ways:

- EMG's headquarters is conveniently located near mass transportation, which enables our employees to commute efficiently. Further, EMG provides incentives to employees who use public transportation.
- To reduce energy usage, EMG uses Energy Star® certified desktops, monitors, and printers; and utilizes motion sensor lighting and cooling to reduce energy usage in non-peak hours.
- To reduce waste and promote a cleaner environment, EMG uses green cleaning supplies; recycles electronics, ink cartridges, and packaging; uses compostable and recycled kitchen products, including bowls, plates, and utensils; provides recycling containers to employees; and uses water coolers.

Social

Human Capital

Behind our success is our most notable asset, EMG's employees. To foster the health and well-being of EMG's employees and their families, full-time employees have access to robust health and wellness programs. Employee benefits include:

- EMG bears the cost of medical, prescription, dental, life, and long-term disability insurance;
- Paid time off for holidays, personal days, and vacation;
- Gym subsidies;
- In-office flu shot clinics; and
- 401(k) plan.

To attract and retain talent, EMG supports the professional development of its employees with a variety of opportunities for personal growth through training, education support, mentorship programs, and internships, including:

- Professional training includes reimbursement for continuing professional education for Certified Public Accountants, continuing education for Chartered Financial Analysts, as well as continuing legal education for attorneys;
- All employees participate in mid-year and/or annual performance reviews; and
- Approximately 25% of open positions are filled internally; the average tenure of EMG employees is over 8 years.

Investment Strategies

We invest in a diverse array of financial assets. As part of our investment strategy, we are a provider of capital to the U.S. housing market, enhancing liquidity in the residential real estate mortgage market and, in turn, facilitating home ownership and stability within communities.

Charitable Activity

EMG and senior members of management sponsor numerous charitable causes. EMG also supports employee charitable contributions with a matching gift program.

Governance

We are committed to strong alignment with our stakeholders in governance, ethics, and compliance. We operate under a code of business conduct and ethics, and all employees are required to undertake compliance training annually. Two of our seven director nominees are gender and/or racially diverse.

In addition, we have a policy that none of our trustees or officers or EMG personnel may purchase or

use, directly or indirectly through family members or other persons or entities, financial instruments (including prepaid variable forward contracts, equity swaps, collars and exchange funds) that are designed to hedge or offset any decrease in the market value of our securities.

For more information about our corporate governance practices, see "Corporate Governance" above.

TRUSTEE COMPENSATION

Any member of our Board who is also an employee of our Manager, Blackstone, EMG or their respective affiliates does not receive additional compensation for serving on our Board of Trustees.

For the year ended December 31, 2020, each independent trustee received an annual cash retainer of \$60,000. The Chairman of our Board and the Chairman of each of the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee of our Board also received an additional annual cash retainer of \$25,000, \$15,000, \$7,500, and \$7,500, respectively. In addition, our independent trustees were eligible to receive restricted Common Shares and other share-based awards under our 2013 Equity Incentive Plan, and each received an award of \$42,500 of restricted Common Shares in 2020 pursuant to our 2013 Equity Incentive Plan. Restricted Common Share award grants to our independent trustees are made annually, typically in the third quarter.

We reimburse our trustees for their travel expenses incurred in connection with their attendance at full Board and committee meetings as well as the Annual Meeting of Shareholders and certain trustee education events.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Each of our trustees and trustee nominees and executive officers is required to complete an annual disclosure questionnaire and report all transactions with us in which they and their immediate family members had or will have a direct or indirect material interest with respect to us. The Nominating and Corporate Governance Committee generally reviews any past or proposed transactions between our Company and related persons (as such term is defined in Item 404 of Regulation S-K). If we believe a transaction is significant to us and raises particular conflict of interest issues, the Nominating and Corporate Governance Committee will discuss the matter with legal or other appropriate counsel to evaluate and approve the transaction.

Transactions Effected by EMG and its Affiliates in Respect of Our Portfolio

Mr. Vranos, our Co-Chief Investment Officer and Trustee, Mr. Penn, our Chief Executive Officer, President and Trustee, Mark Tecotzky, our Co-Chief Investment Officer, and Daniel Margolis, our General Counsel, each also serves as an officer of EMG. We may from time to time enter into certain "related party transactions" with EMG and its affiliates including, subject to certain conditions and limitations, cross transactions, principal transactions and the purchase of securities in other accounts of EMG which are described in the written management agreement with our Manager.

- *Cross Transactions*—defined as transactions between us or one of our subsidiaries, on the one hand, and an account (other than us or one of our subsidiaries) managed by EMG or our Manager, on the other hand. It is EMG policy to engage in a cross transaction only when the transaction is in the best interests of, and is consistent with the objectives and policies of, both accounts involved in the transaction. EMG or our Manager may enter into cross transactions where it acts both on our behalf and on behalf of the other party to the transaction. Upon written notice to our Manager, we may at any time revoke our consent to our Manager's executing cross transactions. Additionally, unless approved in advance by a majority of our independent trustees or pursuant to and in accordance with a policy that has been approved by a majority of our independent trustees, all cross transactions must be effected at the then-prevailing market prices. Pursuant to our Manager's current policies and procedures, assets for which there are no readily observable market prices may be purchased or sold in cross transactions (1) at prices based upon third party bids received through auction, (2) at the average of the highest bid and lowest offer quoted by third party dealers, or (3) according to another pricing methodology approved by our Manager's Chief Compliance Officer.
- *Principal Transactions*—defined as transactions between EMG or our Manager (or any related party of EMG or our Manager, which includes employees of EMG and our Manager and their families), on the one hand, and us or one of our subsidiaries, on the other hand. Certain cross transactions may also be considered principal transactions whenever our Manager, EMG (or any related party of EMG or our Manager, which includes employees of EMG and our Manager and their families) have a substantial ownership interest in one of the transacting parties. Our Manager is only authorized to execute principal transactions with the prior approval of a majority of our independent trustees and in accordance with applicable law. Such prior approval includes approval of the pricing methodology to be used, including with respect to assets for which there are no readily observable market prices.
- *Investment in other EMG accounts*—pursuant to the management agreement, although we have not done so to date, if we invest at issuance in the equity of any collateralized debt obligation, or "CDO," that is managed, structured or originated by EMG or one of its affiliates, or if we invest in any other investment fund or other investment for which EMG or one of its affiliates receives management, origination or structuring fees, then, unless agreed otherwise by a majority of our independent trustees, the base management fees payable by us to our Manager will be reduced by (or our Manager will otherwise rebate to us) an amount equal to the applicable portion (as described in the management agreement) of any such management, origination or structuring fees.
- *Split price executions*—pursuant to the management agreement, our Manager is authorized to combine purchase or sale orders on our behalf together with orders for other accounts managed by EMG, our Manager or their affiliates and allocate the securities or other assets so purchased or sold, on an average price basis or other fair and consistent basis, among such accounts.

To date, we have not entered into any cross transactions with other EMG-managed accounts or principal transactions with EMG, or invested in other EMG accounts.

Management Agreement

We entered into a management agreement with our Manager upon our inception in September 2012, pursuant to which our Manager provides for the day-to-day management of our operations. Mr. Vranos, our Co-Chief Investment Officer and Trustee, Mr. Penn, our Chief Executive Officer, President and Trustee, Mark Tecotzky, our Co-Chief Investment Officer, Christopher Smernoff, our Chief Financial Officer, JR Herlihy, our Chief Operating Officer, and Daniel Margolis, our General Counsel, each also serves as an officer of our Manager. The management agreement, as amended, requires our Manager to manage our assets, operations, and affairs in conformity with the policies and the investment guidelines that are

approved and monitored by our Board of Trustees. A description of the material terms of the management agreement is included in "Item 1. Business—Management Agreement" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2020.

Management Fees

Under the management agreement, we pay our Manager a management fee quarterly in arrears in an amount equal to 1.50% per annum of our shareholders' equity, with shareholders' equity being calculated, as of the end of any fiscal quarter, as (a) the sum of (1) the net proceeds from any issuances of common shares or other equity securities of our company or Ellington Residential Mortgage LP, our operating partnership subsidiary, which we refer to as our "Operating Partnership," (without double counting) since inception, plus (2) our and our Operating Partnership's (without double counting) retained earnings (expressed as a positive number) or accumulated deficit (expressed as a negative number), as the case may be, calculated in accordance with U.S. Generally Accepted Accounting Principles, or "U.S. GAAP," at the end of the most recently completed fiscal quarter (without taking into account any non-cash equity compensation expense incurred in current or prior periods), less (b) any amount that we or our Operating Partnership has paid to repurchase our Common Shares, limited partnership interests in our Operating Partnership, or other equity securities since inception. Shareholders' equity excludes (1) non-cash equity compensation expenses that have impacted shareholders' equity as reported in our financial statements prepared in accordance with U.S. GAAP, and (2) one-time events pursuant to changes in U.S. GAAP, and certain non-cash items not otherwise described above in each case, after discussions between our Manager and our independent trustees and approval by a majority of the independent trustees. Our shareholders' equity, for purposes of calculating the management fee, could be greater or less than the amount of shareholders' equity shown on our financial statements.

Total management fees incurred for each of the years ended December 31, 2020 and 2019 were approximately \$2.4 million.

Services Agreement

Our Manager is party to a services agreement with EMG, pursuant to which EMG provides to our Manager the personnel, services, and resources as needed by our Manager to enable our Manager to carry out its obligations and responsibilities under the management agreement. We are a named third-party beneficiary to the services agreement and, as a result, have, as a non-exclusive remedy, a direct right of action against EMG in the event of any breach by our Manager of any of its duties, obligations or agreements under the management agreement that arise out of or result from any breach by EMG of its obligations under the services agreement. The services agreement will terminate upon the termination of the management agreement. Pursuant to the services agreement, our Manager makes certain payments to EMG in connection with the services provided. Our Manager and EMG are under common ownership and control. As a result, all management fee compensation earned by our Manager and all service agreement fees earned by EMG accrue to the common benefit of the owners of our Manager and EMG, namely EMG Holdings, L.P. and VC Investments L.L.C., other than in respect of the special non-voting membership interests that the Blackstone Funds hold in the EMG affiliate that owns our Manager, which entitle the holders thereof to receive distributions equal to a percentage of the management fees earned by our Manager.

Shareholders' Agreement

We are party to a shareholders' agreement with the Blackstone Funds and affiliates of EMG comprising our initial investors. Pursuant to the terms of the shareholders' agreement, we have agreed to cause up to two individuals designated by EMG and one individual designated by the Blackstone Funds to be nominated for election as trustees from the effective time of the shareholders' agreement until such rights expire in accordance with the agreement. The shareholders' agreement also provides that, while we are required to nominate their designees for election as trustees, EMG and the Blackstone Funds have the exclusive right to designate a nominee to fill any vacancy on our Board of Trustees created by the death, removal or resignation of one of their designees. All remaining individuals nominated for election as trustees will be nominated in accordance with our bylaws in effect from time to time; provided, however, that the composition of our Board of Trustees and each committee thereof must satisfy all listing requirements of the NYSE or such other national exchange on which our Common Shares are then listed. Pursuant to the shareholders' agreement, EMG's right to designate trustee nominees will expire upon the termination of our Manager (or any of its affiliates) as external manager of our company, while the Blackstone Funds' right to designate a trustee nominee will expire upon the earlier to occur of (i) the Blackstone Funds and its permitted transferees beneficially owning, in the aggregate, 70% or less of the Common Shares that they owned upon the completion of our initial public offering, (ii) their sale or disposition of any of their special non-voting membership interests in the EMG affiliate that owns our Manager or (iii) upon the mutual written agreement of EMG and the Blackstone Funds. Finally, the shareholders' agreement may only be amended with the approval of a majority of the independent trustees of our Board of Trustees.

Registration Rights Agreement

We are a party to a registration rights agreement with an affiliate of EMG and the Blackstone Funds pursuant to which we have granted such EMG affiliate and the Blackstone Funds and each of their permitted transferees and other holders of our "registrable common shares" (as such term is defined in the registration rights agreement) who become a party to the registration rights agreement with certain demand and/or piggy-back registration and shelf takedown rights.

Compensation of Trustees

Our non-independent trustees and our trustee that is employed by Blackstone do not receive compensation for serving on our Board. For information regarding the compensation of our independent trustees, see "Trustee Compensation" above.

Indemnification Agreements

We have entered into indemnification agreements with our trustees and executive officers that obligate us to indemnify them to the maximum extent permitted by Maryland law and pay such persons' expenses in defending any civil or criminal proceedings in advance of final disposition of such proceeding.

For those executive officers of our Company, excluding our partially dedicated Chief Financial Officer and our partially dedicated Chief Operating Officer (our "Non-Reimbursed EOs"), we do not reimburse EMG for any of the Non-Reimbursed EOs compensation, but rather EMG compensates the Non-Reimbursed EOs out of its overall revenue stream, including the management fees that we pay to our Manager. Our management agreement does not require that any specified amount or percentage of the management fees that we pay to the Manager be allocated to our Non-Reimbursed EOs. Based on discussions with our Manager and EMG, we estimate that the aggregate amount of our Non-Reimbursed EO's total 2020 compensation that may reasonably be associated with the management fees that we paid to our Manager for 2020 was \$0.8 million, representing approximately 32.2% of the \$2.4 million in management fees paid to the Manager. Of this \$0.8 million, we estimate that approximately 3% represented fixed compensation (e.g., base salaries) and 97% represented variable compensation (e.g., discretionary bonuses, profit sharing and partnership distributions).

For all of our executive officers, we and EMG do not employ contractual formulas in determining discretionary compensation, but instead take into account factors such as the officer's position, the officer's contribution to our company and/or to EMG's businesses, the performance of our company and/or EMG, market practices, reviews by the officer's superiors, compensation provided to similar employees of similarly situated companies, and, with respect to officers (such as Mr. Smernoff and Mr. Herlihy) whose compensation is only partially reimbursed by us, the compensation they receive from other sources (such as, for Mr. Smernoff and Mr. Herlihy, from EFC for their services as partially dedicated Chief Accounting Officer and Chief Financial Officer, respectively), and the percentage of their working time and efforts spent on matters related solely to us.

Daniel Margolis is compensated by EMG in the form of a fixed salary plus a discretionary bonus for his service as General Counsel of all of the affiliates of EMG for which he serves as General Counsel, including our Company. No portion of the management fee is allocated to his salary, nor is his discretionary bonus directly tied to the performance of EARN.

Objectives of the Company's Compensation Programs

The Company's compensation program is designed to:

- retain and motivate our partially dedicated Chief Financial Officer and our partially dedicated Chief Operating Officer by providing fair compensation;
- encourage share ownership by providing a portion of compensation through restricted Common Shares; and
- align management incentives with the long-term interests of our shareholders.

Elements of Compensation

The components of the compensation program for our partially dedicated Chief Financial Officer and our partially dedicated Chief Operating Officer in 2020 are (1) base salary and (2) a discretionary cash bonus and a restricted Common Share award.

Base Salary

Our partially dedicated Chief Financial Officer is Christopher Smernoff and our partially dedicated Chief Operating Officer is JR Herlihy (together, the "Compensated Executive Officers"). Each of the Compensated Executive Officers is an employee of EMG. Under the terms of their respective employment arrangements with EMG, Mr. Smernoff earned an annual base salary in 2020 of \$225,000 and Mr. Herlihy earned an annual base salary in 2020 of \$250,000. We reimburse EMG for the pro rata portion of the compensation of the Compensated Executive Officers that is allocated to us based on the estimated percentage of their working time and efforts spent on matters related solely to our Company. In determining whether the pro rata amount of the Compensated Executive Officers' base salary for 2020 was reasonable and appropriate for reimbursement by our Company, our Compensation Committee considered primarily each Compensated Executive Officer's duties and responsibilities, the performance of our Company, and their performance based on both their own observations as members of our Audit Committee and Board and the assessment and recommendation of our Chief Executive Officer and President and our Co-Chief Investment Officer (which takes into account such officers' review of the compensation provided to similar employees of similarly situated companies).

On December 17, 2020, our Compensation Committee determined to that it was reasonable and appropriate for the Company to reimburse to the Manager for an increase in Mr. Herlihy's base salary from \$250,000 to \$275,000 and an increase in Mr. Smernoff's base salary from \$225,000 to \$250,000, both effective as of January 1, 2021.

For 2021, we expect that our Compensation Committee will take into account substantially similar criteria in determining whether the pro rata amount of each Compensated Executive Officer's base salary to be reimbursed is reasonable and appropriate for reimbursement by our Company.

Discretionary Cash Bonus and Restricted Common Share Award

In addition, our Compensation Committee approved on December 17, 2020, an incentive cash bonus to Mr. Smernoff of \$38,838 subject to deferral of approximately 18% of such cash bonus until December 31, 2021, and an award of 3,035 restricted Common Shares under our 2013 Equity Incentive Plan. The deferred portion of Mr. Smernoff's cash bonus is subject to forfeiture prior to December 31, 2021. Of the Common Shares awarded to Mr. Smernoff in December 2020, 1,518 Common Shares are subject to forfeiture restrictions that will lapse on December 17, 2021 and the remaining 1,517 Common Shares are subject to forfeiture restrictions that will lapse on December 17, 2022.

The Compensation Committee also approved on December 17, 2020, an incentive cash bonus to Mr. Herlihy of \$56,800 subject to deferral of approximately 12% of such cash bonus until December 31, 2021, and an award of 5,871 restricted Common Shares under our 2013 Equity Incentive Plan. The deferred portion of Mr. Herlihy's cash bonus is subject to

forfeiture prior to December 31, 2021. Of the Common Shares awarded to Mr. Herlihy in December 2020, 2,936 Common Shares are subject to forfeiture restrictions that will lapse on December 17, 2021 and the remaining 2,935 Common Shares are subject to forfeiture restrictions that will lapse on December 17, 2022.

In determining whether the pro rata amount of each Compensated Executive Officer's bonus for 2020 was reasonable and appropriate for reimbursement by our Company and whether to approve their restricted Common Share award, our Compensation Committee considered primarily each Compensated Executive Officer's performance, based both on their own observations as members of our Audit Committee and Board and on the assessment and recommendation of our Chief Executive Officer and President, and our Co-Chief Investment Officer (which takes into account such officers' review of the compensation provided to similar employees of similarly situated companies), the performance of our Company, the compensation that each Compensated Executive Officer receives for service as an executive officer of Ellington Financial Inc., and the percentage of their working time and efforts spent on matters related solely to our Company. Our Compensation Committee also considered the total compensation that each Compensated Executive Officer will earn for 2020 (including compensation received for service as an executive officer of EFC) and whether the amount seemed reasonable and appropriate based on their personal experience and knowledge regarding executive compensation. Taking all of these factors into account, our Compensation Committee determined that reimbursement for a \$38,838 cash bonus and an award of 3,035 restricted Common Shares would be reasonable and appropriate for Mr. Smernoff and that reimbursement for a \$56,800 cash bonus and an award of 5,871 restricted Common Shares would be reasonable and appropriate for Mr. Herlihy.

Mr. Smernoff and Mr. Herlihy are entitled to receive dividends on all of their restricted Common Shares awards. Cash dividends are paid on the restricted Common Share awards at the same time and rate as is paid to all shareholders. In 2020, Mr. Smernoff received approximately \$4,489 of dividends on his unvested restricted Common Share awards and Mr. Herlihy received approximately \$7,217 of dividends on his unvested restricted Common Share awards.

For 2021, we expect that our Compensation Committee will take into account substantially similar criteria in determining whether the pro rata amount of our Compensated Executive Officer's bonuses to be reimbursed is reasonable and appropriate for reimbursement by our Company and whether to approve a restricted Common Share award for them.

Potential Payments Upon Termination or Change in Control

Our Compensated Executive Officers are subject to standard employment contracts for the benefit of EMG. If a Compensated Executive Officer were terminated other than for cause or voluntary resignation, the deferred portion of such executive officer's 2020 cash bonus and any outstanding unvested restricted Common Shares held by such executive officer would continue to vest under the terms of their employment contract. In addition, upon a change in control, the restricted Common Shares would immediately vest under the terms of their Common Share award agreements.

AUDIT COMMITTEE REPORT

Each member of the Audit Committee is independent of our Company and management in accordance with the requirements of the NYSE listing standards, our Corporate Governance Guidelines and applicable SEC rules and regulations. Our Board has adopted, and annually reviews, the charter of the Audit Committee, which sets forth the Audit Committee's responsibilities and how it carries out those responsibilities.

The Audit Committee oversees our Company's financial reporting process on behalf of our Board, in accordance with the charter of the Audit Committee. Management is responsible for our Company's financial statements and the financial reporting process, including the system of internal controls. Our independent registered public accounting firm, PwC, is responsible for expressing an opinion on the conformity of our Company's audited financial statements with U.S. GAAP.

In fulfilling its oversight responsibilities, the Audit Committee reviewed with management and PwC the audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2020, and discussed with management the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. In addition, the Audit Committee has discussed with PwC the matters required to be discussed by the applicable requirements of the PCAOB and the SEC. The Audit Committee has received the written disclosures and the letter from PwC required by applicable requirements of the PCAOB regarding PwC's communications with the Audit Committee concerning independence, and has discussed with PwC its independence. In addition, we have evaluated and concluded the non-audit services provided by PwC to our Company comply with SEC independence rules.

Based on the reviews and discussions referred to above, prior to the filing of our Company's Annual Report on Form 10-K for the year ended December 31, 2020 with the SEC, the Audit Committee recommended to our Board (and our Board approved) that the audited financial statements be included in such Annual Report for filing with the SEC.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with U.S. GAAP or that PwC is in fact "independent."

GENERAL INFORMATION

Shareholder Proposals

Shareholder proposals intended to be presented at the 2022 Annual Meeting of Shareholders must be received by the Secretary of the Company no later than December 2, 2021 in order to be considered for inclusion in the Company's Proxy Statement relating to the 2021 Annual Meeting of Shareholders pursuant to Rule 14a-8 under the Exchange Act, or "Rule 14a-8."

For a proposal of a shareholder, including a shareholder's proposal to nominate a candidate for election as a director, to be presented at the Company's 2021 Annual Meeting of Shareholders, other than a shareholder proposal included in the Company's Proxy Statement pursuant to Rule 14a-8, it must be received at our principal executive offices no earlier than November 2, 2021, and no later than 5:00 p.m., Eastern Time on December 2, 2021. If the 2022 Annual Meeting of Shareholders is scheduled to take place before April 13, 2022 or after July 12, 2022, then notice must be delivered no earlier than the 150th day prior to the 2022 Annual Meeting of Shareholders and not later than the later of 5:00 p.m., Eastern Time on the 120th day prior to the 2022 Annual Meeting of Shareholders or the tenth day following the day on which public announcement of the date of the 2022 Annual Meeting of Shareholders is first made by the Company. Any such proposal should be mailed to: Ellington Residential Mortgage REIT, 53 Forest Avenue, Old Greenwich, Connecticut 06870, Attn: Secretary.

Our amended and restated bylaws establish an advance notice procedure for shareholder proposals to be brought before an annual meeting of shareholders, including proposed nominations of persons for election to our Board of Trustees. Shareholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the Board of Trustees or by a shareholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has delivered timely notice in proper form to our corporate secretary of the shareholder's intention to bring such business before the meeting.

Householding of Proxy Statements and Annual Reports

The SEC rules allow for the delivery of a single copy of the Notice, and if applicable, the proxy materials, to any household at which two or more shareholders reside, if it is believed the shareholders are members of the same family. This delivery method, known as "householding," will save us printing and mailing costs. Duplicate account mailings will be eliminated by allowing shareholders to consent to such elimination, or through implied consent, if a shareholder does not request continuation of duplicate mailings. Brokers, dealers, banks or other nominees or fiduciaries that hold our Common Shares in "street" name for beneficial owners of our Common Shares and that distribute proxy materials and annual reports they receive to beneficial owners may be householding. Depending upon the practices of your broker, bank or other nominee or fiduciary, you may need to contact them directly to discontinue duplicate mailings to your household. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee or fiduciary. You can also request prompt delivery of the proxy materials by contacting Ellington Residential Mortgage REIT, 53 Forest Avenue, Old Greenwich, Connecticut 06870, Attention: Secretary, (203) 409-3585.

If you hold our Common Shares in your own name as a holder of record, householding will not apply to your Common Shares. Also, if you own our Common Shares in more than one account, such as individually and also jointly with your spouse, you may receive more than one Notice, and if applicable, more than one set of our proxy materials. To assist us in saving money and to provide you with better shareholder services, we encourage you to have all of your accounts registered in the same name and address. You may do this by contacting the Company's transfer agent, American Stock Transfer & Trust Company, LLC by telephone at (800) 937-5449 or in writing at American Stock Transfer & Trust Company, LLC, Operations Center, 6201 15th Avenue, Brooklyn, NY 11219.

Additional Matters

The Board of Trustees does not know of any matters other than those described in this Proxy Statement that will be presented for action at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the best judgment of the proxy holders.
